

STRENGTH THROUGH SERVICE

NAR-ANON WORLD SERVICE CONFERENCE 2016

WSC Equalized Expenses

Equalized expenses for the Nar-Anon World Service Conference 2016 are calculated as follows:

For regions within the USA, Canada or Mexico, the equalized expenses are a fixed amount that is charged to the regions sending a delegate, alternate delegate or representative. For the WSC 2016, that amount will be \$1,900.00 in U.S. dollars for each person attending as a delegate, alternate delegate or representative. Therefore, if a region chooses to send a delegate and an alternate delegate that region would submit \$3,800.00 to WSO. For that amount, each delegate, alternate delegate, and/or representative's travel expenses, shuttle service to and from the airport, hotel accommodations, meals and conference expenses are paid out of the equalized expense fund. This is done so that a region close to the conference, such as Southern California, will pay the same amount as a region sending a delegate from other parts of the USA, Canada or Mexico.

For regions outside the USA, Canada or Mexico, travel expenses will be the responsibility of the region sending the delegate, alternate delegate or representative. The cost to these regions will be a fixed amount of \$1,400.00 in U.S. dollars paid to WSO for each person attending the conference, which will cover shuttle service to and from the airport, hotel accommodations, meals and conference expenses.

Any member of Nar-Anon or Narateen may observe the conference at no charge. Local observers may purchase a copy of the conference documents and participate in conference meals at a cost to be determined based on the option selected (documents only, documents plus one or more meals). Please inform the WSC Committee by April 11, 2016 if you wish to attend as a local observer without hotel accommodations.

Members of Nar-Anon or Narateen who wish to observe the conference without voice or vote, stay at the conference hotel, and participate in the meals, may do so at a cost of \$1,400.00. This amount will cover shuttle service to and from the airport, hotel accommodations, meals and conference expenses. Travel expenses are not included. Please inform the WSC Committee by December 31, 2015 if you wish to attend as a non-local observer.

Conference hotel accommodations are based on double occupancy (two guests to a room). Participants may indicate whom they would like to share a room with. Participants wishing to have their own room will be charged an additional \$350.

Meals include Thursday evening hors d' oeuvres, and all meals starting on Friday morning and ending on Monday morning, with the exception of the Saturday evening meal. The conference will adjourn at 4:00 p.m. on Saturday afternoon so the conference participants may have an evening of free time; hence, the Saturday evening meal is the responsibility of the individual attendee.

On Thursday evening, April 28, 2016, there will be a pre-conference orientation meeting. The orientation will include a presentation and discussion on the Conference Standing Rules, Robert's Rules of Order, Conference Procedures, and the Conference Agenda. The conference committee strongly recommends that all conference participants attend the introductory meeting.

Yours in service,

World Service Conference Committee
