What is Nar-Anon?

It is a fellowship for families and friends of addicts whose lives have been affected by someone else's addiction.

Mission Statement

Nar-Anon Family Groups are a worldwide fellowship for those affected by someone else's addiction. As a twelve-step program, we offer our help by sharing our experience, strength, and hope.

Welcome to Nar-Anon Family Groups

When you come into the family group you are no longer alone, but among true friends who understand your problem as few others could. We have traveled that unhappy road too, and found the answer with serenity and peace of mind.

We carry the message of hope by letting others know they are not alone. Our program is not a religious one, but a spiritual way of life.
